BUY ORIGINALS!

This exhibit of watercolors is assembled not only to let you see what Ohio watercolorists are doing, but to give you the opportunity of buying their works as well. Some few works shown are not for sale (N.F.S. in the catalog) but most may be purchased at very reasonable prices.

These works were selected as the best, by the jury, from almost 300 entries. They are vouched for by the jury as original creative works of merit. You may purchase any one with confidence.

Is there one particular work in this show that makes a strong appeal to you? Would you like to have it in your home, perhaps to replace that print that everyone is so used to they never see it anymore? Then buy it by all means—you will never regret it. Buying art is not an expense, it is an investment in richer living.

Ask the attendant where you may purchase works from this exhibit, inquire at the front desk, or write to any officer of the Ohio Watercolor Society (names and addresses on page 1 of catalog). All works must remain in the exhibit until the circuit is completed, so delivery will be made to you shortly after the end of July, 1951.
